3. Monitoring

3.1 Financial Report:

April financial report tabled. YTD\$235k. ESOL grant of \$51k has come in, FFP funds are being released each term. Auditors were in last Friday, so financials will need to be signed by the end of the month. Expecting there to be only a few small changes before then.

3.2 Principals Report:

Banked staffing for 2018 was over by \$1,700.
Fencing modifications to be done to protect at risk students. A letter has been sent to all neighbours backing onto the school grounds. Some neighbours would like to retain access but from a health and safety point of view we cannot guarantee whether these gates are closed or locked. Working with the Ministry to resolve these issues. Would like to secure the fence and have gates installed which are closed during the day when students are in school and have security open and close these gates after hours and at weekends.

There were five incidents requiring further medical attention. Three broken arms, 1 after school hours. One student fell out of a tree, so an audit of all trees has taken place and any damaged branches removed. Have stopped children from climbing the tree where the circular bench is for safety reasons.

Staff numbers were provided for Board.

3.3 Policies – Principals Appraisal:

Mary Chamberlain will be the assessor and Peter will work with Mary and Michael.

3.4 Reporting to the Board Policy

Template provided by NZSTA, some of which we do not do at St Thomas's. Work Plan forms the basis for the topics and timings for which Michael will report back to the Board. This is a living document rather than a policy. Agreed not to adopt this policy.
