

ST THOMAS'S  
SCHOOL

## Smoke and Vape Free Environment Policy

To ensure the prevention of the detrimental effects of smoking and vaping on the health of any person and to ensure adults present a positive model to the students in the school through being observed smoke and vape free.

### Guidelines

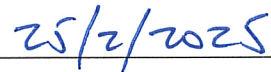

1. The school site including the staffroom and other staff facilities, school grounds and buildings are smoke and vape free environments.
2. Staff or parent helpers are not permitted to smoke or vape while undertaking school related activities offsite.
3. Staff or student breaches of this policy will be subject to school disciplinary procedures.
